

Lead Direct Support Professional

About the Company:

The Arc in Hawaii is a non-profit organization with 70 years of history in Hawaii. We provide both residential and day services for adults with intellectual and developmental disabilities (IDD). Our mission is to support the inclusion and participation of individuals with IDD in their respective communities throughout their lifetime.

Role:

We are seeking a Lead Direct Support Professional (LDSP) to care for our participants (adults with IDD) while supervising the implementation, monitoring, and modification of the participants' treatment programs in accordance with their Individual Programs or Service Plans (IPP or ISP). The LDSP supervises a team of Direct Support Professionals and provides guidance on the normalization principle, integration, safety and protection, individual rights and responsibilities, and other areas, as appropriate.
